EL LONDRES DE TATO

By Renato Giovannoni

A tribute to London – the city that has inspired me since my first visit in 1994
and has welcomed me back countless times since.

Without London, Florería Atlántico in Buenos Aires might never have existed,
or at least would have taken a different form.

Each cocktail pays homage to my favourite places and iconic symbols of the city
– those that have shaped my imagination and my craft.

Together with the wonderful team at The Emory Rooftop Bar, we've created a
collection that reflects my stories, memories, and deep affection for London.

This menu is a liquid love letter to the city that continues to inspire me.

With love,
Tato
